Global News Brief

The U.S. is Taking Over GreenLand?

Introduction

After Trump got elected as the 47th American president, he showed his interest in buying Greenland. Trump even said to the congress,"We're going go get it(Greenland) - one way or the other."

GREENLAND

Capital: Nuuk
Population: 56000
Language: Greenlandic(Kalaallisut)
Danish

Biggest island on the planet
About 80% covered by ice

Why Greenland Matters?

Rare-Earth Element

Rare earth elements are the foundation of modern technology, used in everything from smartphones and electric vehicles to military weapons and wind turbines. Due to their irreplaceability and geographically concentrated supply, they are considered strategic resources.

Military Defense

Greenland History

WWII The US invaded Greenland, establishing military and radio stations across the territory

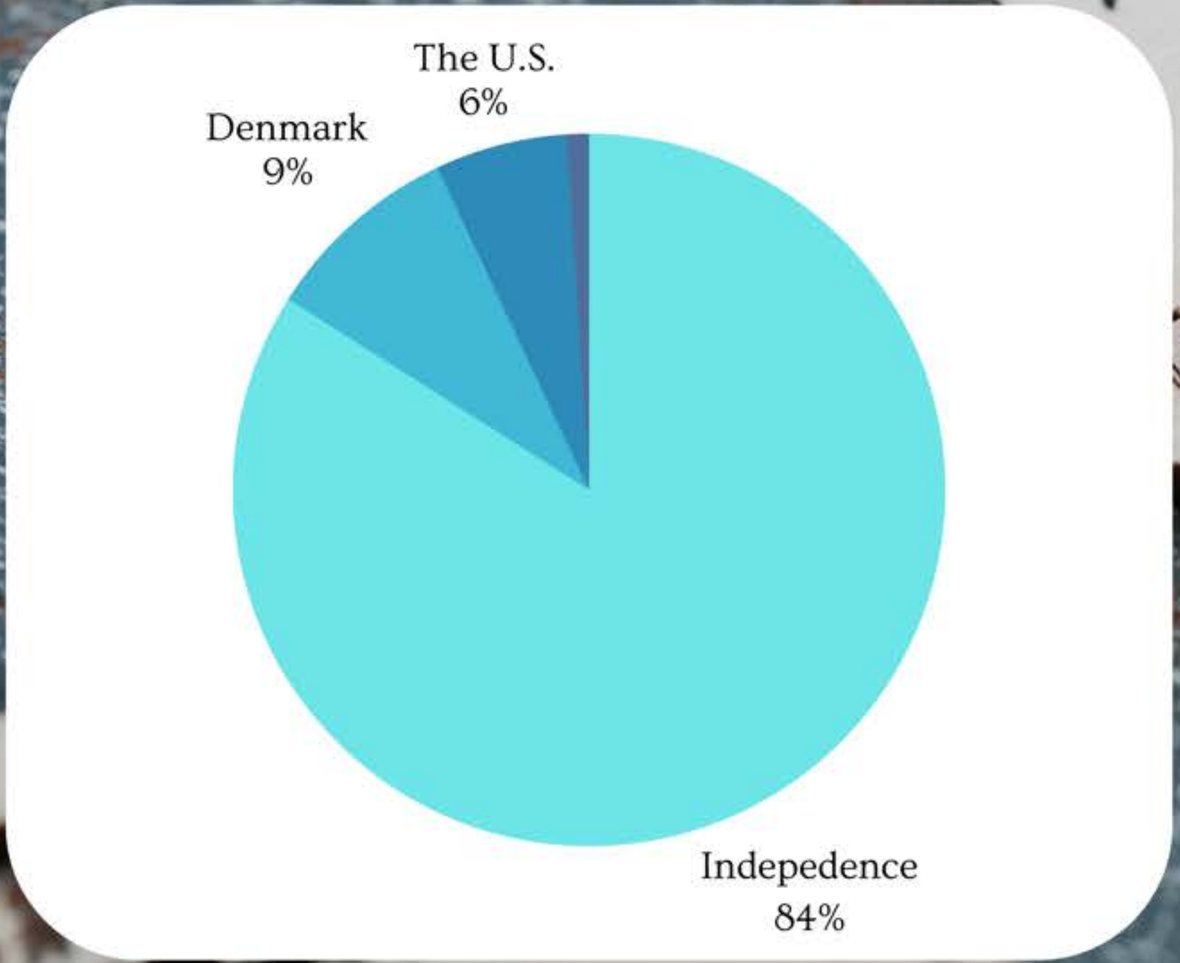
1953 Greenland become part of the Kingdom of Denmark instead of a colony

1979 Home Rule
Greenland control most policies within the territory, with Denmark control

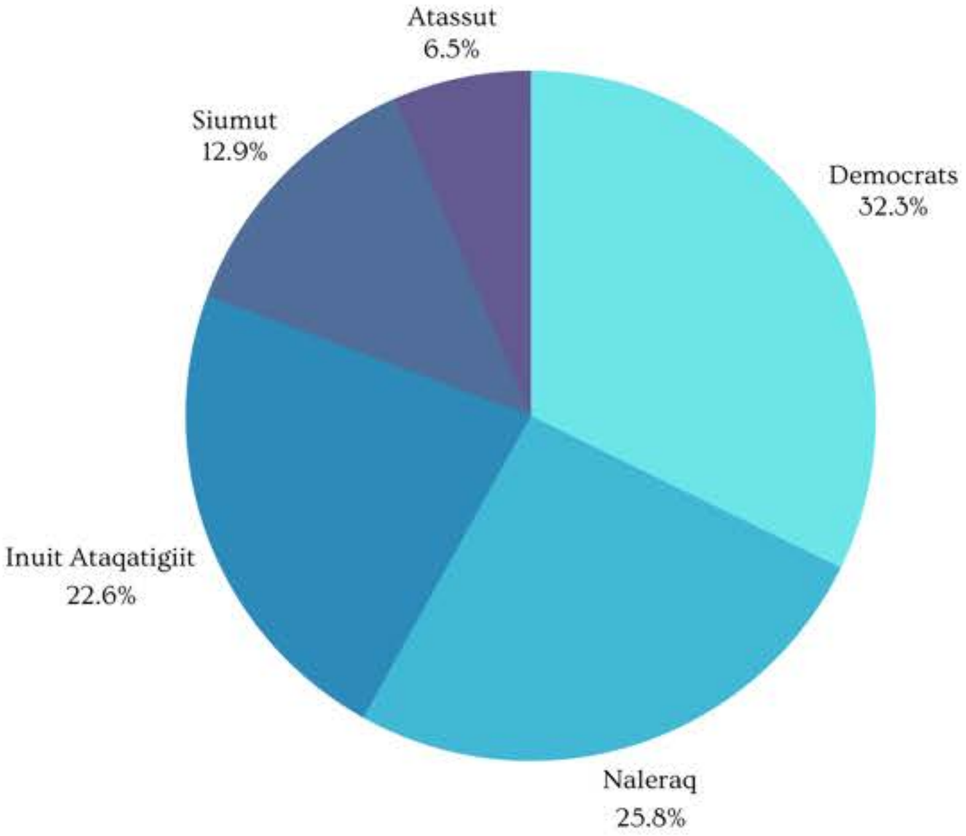
2008 In a 2008 referendum, over 75% of Greenlanders voted for expanded autonomy

2009 Self-Rule
The 2009 Self-Government Act transferred more authority, including control over judicial affairs, policing, and natural resources

Greenlanders Opinion



Greenland Parties



- Democrats
  - Gradual independence, liberal
- Naleraq
  - Rapid independence, pupulist
  - Focus on building ties with the U.S.
- Inuit Ataqatigiit
  - Gradual independence, democratic socialist
  - Strong environmental focus
- Siumut
  - Gradual independence, social democratic
- Atassut
  - Oppose independence
  - Favors strong ties with Denmark

How Will Happen in the Future?

Domestic

- Lack of economic independence
- Keep mining rare-earth elements or Save the environment?
- Gradual/Rapid independence?

External

- Trump said in the NBC interview on May 4th that the U.S. might take Greenland by force
- The U.S. government is considering granting Greenland a “special status” through a Compact of Free Association (COFA)
